## IN SNAPPY ANSWERS

IT'S A LONG, TOUGH  
CLIMB TO WISDOM PEAK!  
I'M GLAD I CAN FLY!!

MR. WIZARD! MAY I HAVE  
A WORD WITH YOU?

# WILD BITS

This is going to be one heckuva happy Harvey New Year!

One look at all the Harvey happenings will tell you that. Just glance at the names of the new Harvey superstars who will be coming at you this year.

SAVED BY THE BELLI ALVIN AND THE CHIPMUNKS! THE MUPPET BABIES! BEETLE BAILEY! THE FLINTSTONES! THE JETSONS! YOGI BEAR! SCOOPY DOO! And several more that we can't tell you about right now.

You'll also see the return of BEETLEJUICE in a brand new 3-issue mini-series as well as a 3-issue mini-series of BACK TO THE FUTURE! (Did someone say, "Just like the movies?")

All that plus the recent additions to our roster—FELIX, TOM & JERRY, and WOODY WOODPECKER—and the original Harvey superstars—RICHIE RICH, CASPER, SPOOKY, HOT STUFF, BABY HUEY and WENDY!

In all my years of comic book editing (and you'll need a super computer to count those), I have never seen a more spectacular roster of comic book superstars under one

company's banner. More important, there has never been a funnier and more exciting group of stories to look forward to.

I envy you all. I've already worked on a good deal of these books and read a good deal more. For you, these are all new. And I promise you, you'll enjoy every darn reading and viewing moment of these books.

No doubt about it. Harvey Comics has become the House of Humor and the Seller of the Superstar. And take it from us, you've seen only the tip of the iceberg.

Look for us on the newsstands. We'll be the ones jumping out at you. And don't forget to write us your comments and clue us in to your favorites. We'd love to hear from you.

See you next time.

# and we get letters...

Dear Wendy and Casper,  
I like your comic books. I like Wendy's and Casper's comic books the best. I've been enjoying the adventures, and I like all the kindness in the comic books. All the pictures look pretty, and they all have pretty colors.

Your Friend, Julie Rowe, 11—  
Abilene, TX

Dear Julie,  
Thank you for all the compliments, Julie! You can thank our very good friend Mother Nature for making the enchanted forest look so pretty. She gets the colors from the rainbow she likes to make, and sometimes she even lets us help her paint the forest!

Your friends, Casper and Wendy

Dear Hot Stuff,  
My name is Todd Adkins. I am eight years old. I like all Harvey comic books, but you are my favorite. I have 27 comics saved. I don't have that many of you, but when I write Santa this year, I am going to ask him to bring more of you.

Your pal, Todd Adkins—Clarksburg,  
WV

Dear Todd,  
I'm happy that you'll be asking for more of my books, Todd, and I hope you get more than the lump of coal I get every year! Still, Santa Claus is one my favorite people, and do you know why? It's because he's red like me!

Your pal, Hot Stuff

Dear Casper,  
I love your comic books. You are a very funny ghost. I have two of your comic books. I read them both. They are really good. I am glad you are a friendly ghost instead of a mean one. Mean ghosts are not very bright and friendly like you Casper. I am proud of your comics.  
Leslie Gray, 11—Greer, SC

Dear Leslie,  
You are absolutely right, Leslie, scary ghost aren't very bright! Just look at the Ghostly Trio—nobody wants to get near them! It's much easier to be a friendly ghost than a mean ghost, because then I get to have great friends like you!  
Your friend, Casper

Dear Harvey Comics,  
I'm 11, and I really like your comics. My favorite character is Spooky the Tuff Little Ghost. He's always scaring things. I hope you keep printing his comics.  
Sincerely, Jason Dickinson

Dear Jason,  
I'll make sure they keep printing my comics, Jason—even if I have to give them my loudest BOO! Poil gets very angry when I BOO too much, but if fans like you keep reading my books and writing in, it'll be more than worth it!  
Your pal, Spooky

Dear Richie Rich,  
I have really enjoyed your comics. They have inspired me not to take or do drugs and to stay in school. I watch your show every Sunday at 9:00 am. Tell Dollar my dog loves to watch him in action.  
A fan, Albert Moon Jr.—  
Dallas, TX

Dear Albert,  
Dollar said to tell your dog, "Woof! Woof!", Albert, which means thank you very much in dog language! I'm glad I'm helping you to stay away from drugs and to stay in school—now I hope you'll do the same for your friends! Tell your friends to keep reading my comics, and I'll keep coming to you every Sunday on TV!

Dear Baby Huey,  
It's me, your #1 fan. I am 11 years old now, and I'm still reading your comics. I love your comics because I always get things goofed up. I've

been reading your comics for the last 7 years. You always were my favorite and you always will be.  
Your pal, Marc Shade—Snow Hill,  
MD

Dear Marc,  
Duh... hullo, Marc! You must be very smart to be able to read comic books by your lonesome when you were only four years old! I keep trying to read by my lonesome, but I always need Papa's help for the long words with more than four ledders! Duh... I godda go now, Marc, Papa says I have to help clean up the ice cream cone I dropped!

*To each one of you who took the time from their busy scanners (and busy lives) to make this project work: You have my sincere appreciation and deepest respect. Times and names change, but friends never do. Thank you for being my friend.*

## Soapbox time:

I tire of hearing people fight about whether we should do this or that, or scan this way or that way, or edit this way or that way. This project is intended to be my way of fighting that. Why we scan and how we scan and how we edit are not nearly as important as the fact that we do it. Scan how you want, edit how you want. If someone else doesn't like it, they don't need to download it. We need to get along, because somewhere, somewhen, this is all going to come crashing down around us. And then what happens? Enjoy the good times.
